

My Science Club Wordsearch

DO NOT PRINT THIS PAGE

This document contains 2 wordsearches the first one is for April Fool's Day as the grid only contains one of the words. The second wordsearch contains all the words to find.

We suggest giving wordsearch 1 to all of the class, apart from 2 or 3 children who get wordsearch 2.

Watch their puzzlement grow as they can't find any of the words while their friends finish the wordsearch.
